

# Wingman Challenge Coins

Every fighter squadron has its own unique coin that serves as a symbol of each pilot's commitment. They are customized with the squadron logo and motto, and must be carried at all times as they represent loyalty, unit pride and a commitment to the mission.

Anyone can initiate a "coin check" by presenting their coin and declaring a challenge. Everyone has 10 seconds to show their coin and thus prove that they are mission ready.

Here's the catch - If you don't have your coin, then you're buying lunch or drinks! But if you do have it, then the person who initiated the challenge has to pay up.

*Waldo's challenge coins make great conference gifts and are a fun way to build team unity and pride. They also serve as a unique reminder of your corporate values and mission.*

Standard wingman coins have the American flag on the back along with the core values of *teamwork, courage, and trust* and my call to action – *Push it up!*

Coins can also be **customized with your company logo, core values, or conference theme.**

(five weeks lead time and a 200 coin min order required for custom coins)
